

CURRICULUM VITAE

STUART ROGER LACEY, MD, FACS, FAAP

Pediatric Surgeons of Phoenix
1920 E. Cambridge Ave.
Ste. 201
Phoenix, AZ 85006
Tel: (602) 254-5561
Fax: (602) 254-2185

EDUCATION

Doctor of Medicine, 1980
University of New Mexico School of Medicine
Albuquerque, New Mexico

Bachelor of Science, 1976, Chemistry and Biology
Eastern New Mexico University
Portales, New Mexico

POSTGRADUATE TRAINING

July 1985 – June 1987
Resident in Pediatric Surgery
The Children's Hospital of Buffalo
State University of New York at Buffalo
Buffalo, New York

July 1981 – June 1985
Resident in Surgery
University of New Mexico
School of Medicine
Albuquerque, New Mexico

July 1980 – June 1981
Resident in Surgery
University of Texas Medical Branch
Galveston, Texas

Diplomat National Board of Medical Examiners (1981)
General Surgery Boards, Diplomat American Board of Surgery (1987)
(Recertification 1995)
Pediatric Surgery Boards, Certificate of Special Qualifications in Pediatric Surgery
(1998) (Recertification 1995)
State of Arizona, 2003; License #31590

State of Texas, 1993; License no. J4885
State of North Carolina, 1987; License no. 31561
Advanced Trauma Life Support Instructor, 1988 (Recertification 2002)
(Recertification ATLS 2007 –Instructor Recertification pending)

Pediatric Advanced Life Support Instructor, 1989 (not active)

HONORS

B.S. 1976 Magna cum Laude

Phi Kappa Phi Honor Society 1975-76

American Chemical Society, New Mexico Chapter-Outstanding University Student 1976

Outstanding Teaching Resident, University of New Mexico, Department of Surgery 1985

Outstanding Teaching Resident, State University of New York at Buffalo, 1987

Pearls Day lecturer elected by 4th year UNC medical students, 1993

Faculty Teaching Award from Texas Tech Surgical Residents 1996

Outstanding Alumni Award, Eastern New Mexico University, October 1997

Faculty Teaching Award from Mayo (Scottsdale) Surgical Residents 2008

Elected for inclusion in Best Doctors in America ® from 1996 - 2010

HOSPITAL AND ACADEMIC APPOINTMENT

July 1, 2008 to Present

Pediatric Trauma Medical Director

St. Joseph's Hospital and Medical Center

Phoenix, Arizona

August 2006 to Present

Clinical Professor of Surgery

University of Arizona

College of Medicine

July 1, 2003 to Present

Attending Pediatric Surgeon

Phoenix Children's Hospital

Phoenix, Arizona

August 28, 2003 to Present

Attending Pediatric Surgeon

St. Joseph's Hospital and Medical Center

Phoenix, Arizona

October 20, 2003 to Present

Attending Pediatric Surgeon

Banner Thunderbird Medical Center

Glendale, Arizona

October 29, 2003 to October, 2007

Attending Pediatric Surgeon

Banner Desert Medical Center

Mesa, Arizona

October 16, 2003 to Present
Attending Pediatric Surgeon
Banner Good Samaritan Medical Center
Phoenix, Arizona

September 1997 to 2003
Director of Pediatric Trauma
Covenant Children's Hospital
Lubbock, Texas

September 1996 to 2003
Associate Director of Trauma
Covenant Medical Center
Lubbock, Texas

September 4, 1996 to 2003
Attending Pediatric Surgeon
Covenant Hospital & Covenant Children's Hospital
Lubbock, Texas

November 1, 1993 to 2003
Attending Pediatric Surgeon
University Medical Center & Children's Hospital at UMC
Lubbock, Texas

December 5, 1994 to 2003
St. Mary's of the Plains (presently known as Covenant Lakeside)
Attending Pediatric Surgeon
Lubbock, Texas

November 1, 1993 to 2003
Associate Professor of Surgery and Pediatrics
Texas Tech University Health Sciences Center School of Medicine
Lubbock, Texas

November 1, 1997 to August 2000
General Surgery Residency Program Director
Texas Tech University Health Sciences Center
Lubbock, Texas

August 6, 1996 to March 2000
Chief of Pediatric Trauma Service
Texas Tech University Health Sciences Center
Lubbock, Texas

July 1, 1987 to October 31, 1993
Assistant Professor of Surgery and Pediatrics
Associate Chief of Pediatric Surgery
University of North Carolina
Chapel Hill, North Carolina

January 15, 1993 to October 31, 1993
Acting Chief
Pediatric Surgery
University of North Carolina
Chapel Hill, North Carolina

May 1991 to October 31, 1993
Medical Director : Pediatric Surgery Unit
North Carolina Children's Hospital
University of North Carolina Hospitals
Chapel Hill, North Carolina

GRANTS FUNDED

1989 North Carolina United Way Medical Research Fund : \$3,000
Title: Development of an ileal-anal anastomosis pouchitis model in rats
1991 Center for Gastrointestinal Biology and Disease : \$19,993
Title: Development of a rat model of ileal-anal pouchitis

PROFESSIONAL SOCIETIES

American Academy of Pediatrics Surgical Section (Fellow)
Association for Academic Surgery
American College of Surgeons (Fellow)
American Pediatric Surgical Association
Womack Society

NATIONAL COMMITTEES

Program Committee Surgical Section American Academy of Pediatrics
Member 2002-2004
Vice-Chairman 2003
Chairman 2004
Publications Committee of American Pediatric Surgical Association (1996-1998)
Children's Cancer Group – Surgical Committee and Ewing's Sarcoma Committee
Reviewer for Journal of Pediatric Surgery
Reviewer for Journal of Pediatrics

PUBLICATIONS – REFERRED JOURNALS

INVITED PUBLICATIONS and BOOK CHAPTERS

1. **Lacey SR**, Allen JE, Jewett TC, Karp MF and Cooney DR: Advances in the treatment of rhabdomyosarcoma. *Seminars in Surgical Oncology* Vol. II, No. 3, pp. 139-146, October 1986.

2. Azizkhan RG, **Lacey SR**: Diagnosis and initial management of neonatal surgical emergencies, Part I, Current Practices of the Department of Obstetrics and Gynecology 7:4, 1-2, 1988.
3. Azizkhan RG, **Lacey SR**: Diagnosis and initial management of neonatal surgical emergencies, Part II, Current Practices of the Department of Obstetrics and Gynecology 8:3, 1-2, 1988.
4. Azizkhan RG, **Lacey SR**, Taylor LA: Preoperative management of pediatric surgical problems. Surgical Critical care ed J Moylan, M.D., 41, 937-984, 1994.

PRESENTATION OF SCIENTIFIC PAPERS AT NATIONAL/ INTERNATIONAL MEETINGS

“Pneumonostomy in the Management of Pediatric Lung Abscesses.” Presented at the Pacific Association of Pediatric Surgeons Meeting, Colorado Springs, Colorado, May 1980.

“Repair of Agenesis of the Hemidiaphragm by Prosthetic Materials.” Presented at the Pacific Association of Pediatric Surgeons Meeting, Vancouver, British Columbia, Canada, May 1982.

“Recent Advances in the Treatment of Tracheo-esophageal Fistula.” Presented at the American College of Surgeons, New Mexico Chapter Meeting, Albuquerque, New Mexico, May 1983.

“Esophageal Perforation – Our Experience and the Phenomenon of Mediastinal Dissection in Cervical Perforations.” Presented at the Fourth Annual Residents Conference for Pediatric Surgery, Columbus, Ohio, September 1983.

“Vasoactive Intestinal Peptide from a Ganglioneuroblastoma.” Presented at the Pacific Association of Pediatric Surgeons meeting, San Diego, California, May 1984.

“The Relative Merits of various Methods of Indirect Measurement of Intraabdominal Pressure as a Guide to Closure of Abdominal Wall Defect.” Presented at the American Pediatric Surgical Association Meeting, Hilton Head Island, South Carolina, May 1987.

“Successful Treatment of Infected Superior Vena Caval (SVC) Thrombosis in Critically Ill Infants by Low-Dose Streptokinase Infusion.” Presented at the American Pediatric Surgical Association Meeting, Tucson, Arizona, May 1988.

“Acquired Critical Bronchial Stenosis in Infants: Successful Management Utilizing an Argon Laser.” Presented at the American Pediatric Surgical Association, Baltimore, Maryland, May 1989.

“Anterior cricoid suspension and tracheal stomal closure for children with cricoid collapse and peristomal tracheomalacia following tracheostomy “{poster}”.” Presented at the American Pediatric Surgery Association, Lake Buena Vista, Florida, May 1991.

“Successful endoscopic management of large, central bronchopleural fistulas with methacrylate tissue adhesives.” Presented at the American Pediatric Surgery Association, Lake Buena Vista, Florida, May 1991.

“Percutaneous Translumbar and Tranhepatic caval catheters for prolonged vascular access in children.” Presented at the American Pediatric Surgery Association, Lake Buena Vista, Florida, May 1991.

“Acquired Lobar Emphysema (overinflation): clinical and pathological evaluation of infants requiring lobectomy.” Presented at the American Academy of Pediatrics, Surgical Section. New Orleans, Louisiana, October 1991.

“Prospective analysis of urokinase in the treatment of catheter sepsis in pediatric hematology patients.” Presented at the American Pediatric Surgery Association, Colorado Springs, Colorado, May 12-15, 1992.

“Development of an Animal Model for Ileoanal Pouchitis.” (poster) Presented at the American Pediatric Surgical Association Meeting, Colorado Springs, Colorado, May 1992.

“Munchausen Syndrome by Proxy: Patterns of Presentation to Pediatric Surgeons.” Presented at the Pacific Association of Pediatric Surgeons, Albuquerque, New Mexico, May 1992.

“Bladder Pressure Monitoring Significantly Enhances Care of Infants with Abdominal Wall Defects: A Prospective Clinical Study.” Presented at the Surgical Section of the American Academy of Pediatrics, San Francisco, California, October 1992.

“Chronic Lung Diseases is the Leading Risk Factor Correlating with the Failure (Wrap Disruption) of Antireflux Procedures in Children.” Presented at the American Pediatric Surgical Association, Hilton Head Island, South Carolina, May 1993.

“Pouchitis Following Ilical-Pouch-Anal Anastomosis in Rats.” Presented at the American Gastroenterological Association, New Orleans, Louisiana, May 1994.

“Convective Air Warming Blankets Maintain Nonmothermia in Infants During Anesthesia and Surgery.” Presented at the Pediatric Anesthesia Meeting, Duke University Medical Center, February 1995.

“Use of Lasers in the Pediatric Airway” Presented at the Surgical Section of the American Academy of Pediatrics, San Francisco, California, October 2004.

“Pediatric Surgical Emergencies Presenting to Your Office (“Rush to Cut”) Presented at American College of Osteopathic Pediatricians, Phoenix, Arizona, April 2006

“What Lies Beneath: Unsuspected Lesions in Pediatric Trauma Patients,” Stuart R Lacey, MD, FAAP, FACS. February in Phoenix Trauma Symposium, Phoenix, AZ February 2009.

PUBLISHED ABSTRACTS

1. Rhoads JM, Vogler RC, **Lacey SR**, Reddick RL, Berschneider HM: Microvillus Inclusion disease; invetro intestinal transport characteristics. *Gastroenterology* 98:5 A198, 1990.
